

**JUNIOR SALOON CAR CHAMPIONSHIP  
2017**

**CHAMPIONSHIP BULLETIN**

**IMAGE RIGHTS**

**All competitors teams and persons associated with competitor entries must please note that since January 2016 the Championship by the Commercial Rights Holder has only authorised Purple M as the official photographers to the Championship by notification to the several venue (i.e circuit) owners in whom the intellectual property in image rights are vested.**

**Therefore the only current authorised photographers for the Championship notified to circuits are Purple M.**

**Because of the importance of intellectual property rights and especially the rights of venue owners and of the Championship Rights Holder it is important that competitors respect these rights as obligations and should neither purchase nor publicly display HOWSOEVER (i.e including social media) images purchased from and/or taken by any other entity and who may not have the required authority of the venue owner or relevant rights holder.**
